

## A fantastic camping opportunity for you this summer... at Manitou.

Picture yourself on the La Cloche Ridge, gazing over white quartzite hills with a spectacular view of the islands dotting the North Channel of Lake Huron. Sound good? At *Camp Manitou* we wake up to this every day in the summer and you could too.

We are looking for adult volunteers to assist in the various positions associated with a residential summer camp that operates entirely with volunteer help.

Your role may include a choice of working directly with campers in program, maintaining physical facilities, or aspects of meal planning and preparation. We have separate accommodation for families so if you want to help out for a few days, a week, or longer it could turn into the ideal working holiday for you and your family. All you need is enthusiasm and a positive attitude. Specific skills will be acquired on the site.

The location is iconic, the people are friendly and you can feel good about helping provide an inexpensive camping opportunity for the youth of Northern Ontario. We have been providing programs in this location for 50 years. Only a one hour drive from Sudbury, it's like having a summer camp that comes with instant friends and fun.

If you are interested and want to learn more about how you can participate please contact (Ron Mulholland 507-9828) and see our website at [manitoucamp.org](http://manitoucamp.org) for more information.
